

REVESBY
E S T A T E

Estate Office, Revesby, Boston PE22 7NB

Arable Operator

Closing Date: 21st September 2025

Why Join us?

Revesby Estate is a family-owned, historic estate in the heart of Lincolnshire, where tradition meets innovation. Our 1,300 Ha in-hand farming enterprise is run with a cereals-based rotation, using modern, high-tech equipment and sustainable practices.

We are proud of our progressive approach to agriculture, our commitment to work-life balance, and a supportive environment.

About the Role

We are looking for a skilled and passionate Arable Operator to play a key role in our forward-thinking farming enterprise.

You will be working with State-of-the-art machinery and will be actively involved in:

- Operating a Fendt Ideal 9T combine
- Fertiliser applications
- Shared spraying operations (Horsch LT6000 and Fendt 720)
- Cultivation
- Drilling (Horsch 10m Sprinter and Avatar)
- Machinery maintenance
- General farm work

What we are looking for

The ideal candidate will bring a passion for agriculture and attention to detail. Key requirements are:

- Proven experience in Combine operations
- PA1, PA2, PA4 & PA6 (training available if needed)
- Competence with a Rough Terrain Telehandler
- Strong workshop skills
- Ability to work independently and as part of a small team
- A positive attitude

What we offer

- A competitive salary that reflects your experience
- Accommodation available if required
- Ongoing training and personal development opportunities
- Company phone
- A chance to be part of a progressive, supportive, friendly estate team

To apply for this position please email your CV and a covering letter to Peter Cartwright (farms manager)
